Matias Moraschetti

Professional Profile

I think of myself as a devoted, disciplined person and fervent team player. I seek to grow and make progress in everything I do. Reliable and very eager to learn,

Student as Full Stack Web Developer through CEPIT (Tandil Information Technology Pole Business Chamber).

I am currently collaborating in a work project, in the Frontend and Backend development of a web application, using agile methodologies such as SCRUM, in addition to the use of nestJS, ReactJS and MySql as bases.

Proficient in technologies:

HTML

CSS

JavaScript

TypeScript

Bootstrap

ReactJS

NestJS

NodeJS

MySql
